Since graduating 3D Design (with Creative Computing) at Camberwell College of Arts, I have been a teaching-assistant and music facilitator at a college in Cambridge. I decided to return back to design, and started training two days a week to become a joiner or furniture maker. In the remaining working days of the week, I earn and expand my skills in a professional environment.

Experience

- 2023 – **Technician – The Questors Theatre**
JAN ❖ Connecting equipment and testing before performance
❖ Controlling lighting during performance
- 2023 – **Drayman – Charing Cross Theatre**
JAN ❖ Changing kegs, tidying up the keg's storage space
❖ Checking delivery is exactly what has been ordered
❖ Moving the kegs and alcohol bottles into the storage space
- 2023 – 2023 **Photographer – Katy Monri**
JAN JAN ❖ Taking pictures of their new clothing line
❖ Setting up lighting and directing models to match my vision
- 2022 – 2022 **Workshop Assistant – Three Little Boards, London**
DEC DEC ❖ Sanding scaffolding boards to form a table in preparation for oiling
❖ Transporting boards from studio to workshop for the designer
❖ Managing payments and receipts from the project for the final invoice
- 2022 – 2022 **Teaching Assistant – Cambridge Regional College**
FEB JUL ❖ Facilitated accessible lessons to students with specific learning needs
❖ Taught a weekly 2-hour class on the fundamentals of music
❖ Carried-out safeguarding, assessments and facilitated students to support each individuals progress
- 2021 – 2022 **Carpenter – Queen Edith's Forum, Cambridge**
MAR APR ❖ Created planters made from recycled pallets using hand-held power tools
❖ Designed and built a 'bug hotel' to promote biodiversity
❖ Putting up storage space for community foodbank
- 2020 – 2020 **Carpenter – The Hillyfield Woodland Farm, Devon**
JUN AUG ❖ I supported the construction of a two-storey timber frame barn with a team of 12 other volunteers
❖ Upheld health & safety by wearing relevant safety gear and maintaining effective communication
❖ Milling trees to make final beams, established a professional and driven attitude under pressure

Education

- 2022 - 2023 **Building Crafts College**
Level 2 Bench Joinery
- 2022 – 2022 **Cambridge Regional College**
Level 3 Award in Education and Training
- 2017 – 2021 **Camberwell College of Arts**
BA (Hons) 3D Design (with Creative Coding)
- 2016 – 2017 **Ravensbourne University London**
Foundation Diploma in Art and Design

Additional Skills

- ❖ Enhanced DBS Certificate
- ❖ Clean UK Driving Licence
- ❖ Proficient in Microsoft Office, Adobe Creative Cloud and web developing
